### SHUTTLE SERVICE

Thank you to Wendy's for sponsoring the shuttle service during the Ashland County Fair. The Polk Lions Club are your drivers. If you need help getting around the fair once you arrive, just stop at one of the shuttle benches and the shuttle golf cart will take you where you need to go. You may call the office 419-289-0466 or stop in and let us know where you're located and your destination. The drivers work hard to try and get passengers into the fair from the parking lots also, so please be patient, there may be slight delays as they finish their rounds to get to you.
