Naming Opportunities-\$50,000 and Up

Binder available for details of naming opportunities

The Civic Center has been designed to replace inadequate buildings, greatly improving the exhibition areas and allowing us to use the facility all year long. In addition to Fair activities, the new facility will attract Home & Garden Shows, Boat Shows, Trade and Equipment Shows, Swap Meets, Corporate Trainings, and more. These and other rental opportunities will have a large impact on the local economy..

Ashland County Agricultural Society, Inc. is a 501c3 non profit organization. Contributions are tax deductible as charitable contributions for federal income tax purposes to the extent provided by law. A receipt will be provided for gift given.
